Legislation (General).

Certificates for refund of court fee in suits and appeals are not cashed in Government treasuries on the ground of such certificates not being negotiable, although the receipt is acknowledged on their back and signed with the request to hand over the sum, to a servant or a gumasta.

Lawyers must present them and draw the sum in person. It is a great inconvenience to lawyers and parties.

It is, therefore, prayed that such certificates may be made either negotiable, or as in the case of pay-bills or travelling-allowance bills, such certificates may be cashed when the receipt is acknowledged on their back and signed with the request to hand over the sum to a servant or a gumasta.

C.S. Balasundaram Iyer, Esqr., B.A.,
Chief Secretary to the
Government of Mysore,
Bangalore.
Sir,
I am directed to state that the Deputy Commissioner, Shimoga District, forwarded for disposal, under Article 19 of the rules relating to the constitution and conduct of business of the Mysore Representative Assembly, the marginally noted statement of a subject brought up for discussion at the preliminary meeting of the Representatives held on 2nd March 1918. They suggested that certificates of refund of court fees issued by civil courts may be made negotiable or that they may be cashed at the treasuries when the receipt is acknowledged on their back and signed with a request for payment of the sum to a servant or a clerk.

On

On a careful consideration of the subject, the Judges are of opinion that the form of certificate should be revised and a corrigendum issued to Rule of Practice No. 113 dated 19th June 1903. The Comptroller, who was consulted, has agreed to the revised form proposed.

I am therefore to request that the Government may be pleased to accord their sanction for the issue of the enclosed corrigendum.

I have the honour to be,
